# Information Evening for parents to be

In these exciting times most expectant parents have a lot of questions regarding the birth and the first weeks as a new family.

- How will we organize our parental leave as well as our parental allowance?
- Which applications must be filed?
- What will the financial support look like for us?

At our information evening we will offer support regarding these and other questions.

Please sign up in advance, if successful you will receive a confirmation of your registration.

The number of participants is limited to 12 and the participation fee will be 5€. We kindly to ask you to wear a FFP2-Mask at all times while visiting the Familienplanungszentrum.
